MARK SCHMIDT

Head Basketball Coach
St. Bonaventure University

- A proven head coach with over 100 wins at the Division I level
- Led the Bonnies to the 2016 A-10 regular season championship & 2012 NCAA Tournament
- 2016 Atlantic 10 Coach of the Year
- Was an assistant coach at Xavier from 1994-2001, guiding the Musketeers to four NCAA Tournament berths
- Was a player on three NCAA Tournament teams at Boston College between 1981-85

WHAT THEY ARE SAYING ABOUT COACH SCHMIDT

"Coach Schmidt was instrumental in my development while I was at Xavier and was a big part of the success that we had during my four years there. I think he'll make an excellent head coach at St. Bonaventure and have the same type of positive impact on their program."

- **David West – Indiana Pacers 2008 & 09 All-Star and All-American at Xavier University**

"St. Bonaventure is very fortunate to have Mark Schmidt as its head coach. He understands, after previously working at Loyola and Xavier, the workings of a Catholic university. He is very familiar with the Atlantic 10 Conference. His priorities are well-placed. I think it's a home run for St. Bonaventure. I think Mark will be spectacular there."

- **Former Wake Forest Head Coach Late Skip Prosser**

"Mark did a great job as head coach at Robert Morris and it's good to see that hard work rewarded. This is a great step in his coaching career to move to the Atlantic 10 and join a school with the history and tradition of St. Bonaventure. He will be a great fit for their department and will get that program moving in the right direction."

- **Former Maryland Head Coach Gary Williams**

WHY THIS CAMP IS FOR YOU

The goal of the Mark Schmidt Individual Camp is to help develop well-rounded, complete basketball players. Coach Schmidt and his staff believe in teaching players the fundamentals of the game along with the proper attitude and work ethic needed to be successful. Our philosophy stresses "confidence through compliments," teamwork, effort and sportsmanship. Coach Schmidt believes these ingredients help young people to achieve success not only on the court, but also with family, school and life.
